Goryu

Connected to 47 at the top Goryu often has great powder at the top lifts and a good learner slope with the perfect ski school located between the two at Imori slope

Bus Stop Out front, Bus G7

Buses Leaving-Approximately 810-910-1010-1240

Buses returning- Approximately 1200-1500-1600-1710

Happo (Nakiyama), Iwatake, Tsugaike, Norikura, Cortina

Next stop after Happo you'll get to Iwatake with its fancy fast gondola, a great mountain for a view on a clear day and offers fast top to bottom laps. Next is Norikura with one high powdery chair and plenty of wide-open groomers with some small fun freestyle features. Last stop is Cortina, the powder beast for the deepest lines.

Bus Stop V2 from Echoland (in front of Spicy rentals)
